In accordance with 37 CFR § 1.97(g),(h), this Second Supplemental Information Disclosure Statement is not to be construed as a representation that a search has been made and is not to be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 CFR § 1.56(b).

Pursuant to 37 CFR § 1.704(d), Applicants state that each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart application and that this communication was not received by any individual designated in § 1.56(c) more than thirty days prior to the filing of this Information Disclosure Statement. A copy of a Japanese Office Action issued in the corresponding Japanese application is also enclosed.

Pursuant to 37 CFR § 1.97(e)(1), Applicants state that each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart application not more than three months prior to the filing of this Information Disclosure Statement.

Applicant(s) respectfully request that the listed documents be made of record in the present case.

Respectfully submitted,
